## Washington Street and NW/SW 72<sup>nd</sup> Avenue Mobility Improvements Project

The Florida Department of Transportation (FDOT), District Four will host a Virtual Public Meeting and In-person Construction Open House regarding the mobility improvements along Washington Street and NW/SW 72<sup>nd</sup> Avenue in the Cities of Hollywood and Pembroke Pines. Please see below for detailed meeting information.

The City of Hollywood and Pembroke Pines, as the Project Sponsors, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT District Four design and construct the Washington Street and NW/SW 72<sup>nd</sup> Avenue Mobility Improvements Project through the City of Hollywood Resolution 2017-334. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward County and this project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access. The Broward MPO is a federally-mandated agency responsible for setting policy on local transportation issues and deciding how to spend Federal and State funding on transportation projects in the Broward region. For more Broward MPO information, please visit: [BrowardMPO.org](http://BrowardMPO.org).
